**WHAT HE'D LIKE TO BE
DOING IN 10 YEARS:** Los
Angeles is at a pivotal point
in its position as a global creative
center. I'd love to continue
advocating and being an active
member of the California
design scene.

**IF NOT A DESIGNER, HE'D
BE:** A Japanese ikebana florist
in Tokyo. Maximum input for
minimal output.

BEST ADVICE HE'S EVER RECEIVED: *"The journey is the destination," from photographer Dan Eldon. It's a long sprint to the finish line; you really may as well enjoy the time in between!*
